- D. No two hides will be placed on the same vehicle.
- E. If only the outside of the vehicles are searched, there will be a 10 minute time limit total with a 2 minute warning at the 8 minute mark. If the interior of a vehicle is searched, there will be an additional one minute per vehicle added to the total time. If all 5 vehicle interiors are searched, a maximum time limit of 15 minutes will be allowed with a 2-minute warning.

- A. The indoor search will consist of three rooms. Each room will be a minimum of 200 square feet. There will be a time limit of one and one half (1.5) minutes for every 100 square feet. Large rooms can (optional) be sectioned off with a makeshift or temporary barrier to reduce it to the 200 square foot minimum. The unused part of this room cannot be used as one of the three required searchable rooms. (i.e. A large classroom can be divided off to create a 200 ft search area, but the rest of the room cannot be used for the trial)
- B. The rooms must be furnished and can be kitchens, workshops, offices, schoolrooms, or other rooms containing furnishings and/or equipment.

C. There will be two currency aids within the three rooms, but only one hide can be placed in a room.

D. There will be a two (2) minute warning given before the expiration of time. At the expiration of time, the handler will call his/her finds. The handler can elect to end the search before time expires and call the location of the aids.
